KARWAR,

Dated 8-1-1964

XXXX No. LND-III-7-SR-993

To

The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

Sir,

Subject:- Lands : Kanara-
Manajawalli, Taluka Sirsi -
Disforestation of certain... at

In submitting herewith the papers of the case ending with letter No. UBL.431 of 19-12-1963 from the Sales Officer Indian Oil Company, I have to state as under:-

2. In this case one Shri S.M.Nilekani has applied for disforestation and grant of 0-20-0 of land out of betta S.No. 111 of Manajawalli village, Taluka Sirsi for installation of a petrol and H.S.D.Pump. A sketch showing the area asked for and extract from R.R. of the S.No. are enclosed at pages 57 and 11 respectively.

3. S.No. 111 measures 22-15-0 and is assigned for use of the garden land held by the applicant's father and also other holders. The area sought for disforestation is in the wahiwat of the applicant's father who has no objection to the proposed disforestation. The applicant had obtained permission to construct a house in an area of 0-10-0 gunthas out of the S.No. He proposes to have 0-20-0 gunthas on disforestation inclusive of the above said area of 0-10-0 gunthas.

4. The several betta wahiwatdars are reported to have no objection to the disforestation and grant of the area to the applicant. The Divisional Forest Officer, S.D. and the Conservator of Forest have given concurrence for the disforestation. The Tahsildar Sirsi and the Assistant Commissioner, recommend the grant of the site on disforestation. The Executive Engineer Sirsi and the Superintendent of Police who were consulted have opined that there is no objection to allow the installation of a petrol and H.S.D.pump in the said area.

5. Since the applicant in the first instance wanted to have a Burma Shell Oil pump and Government orders required that the Indian Oil Company should be given preference, the Indian Oil Company was consulted. The Oil Company has expressed its willingness to have a pump in the said area. The Sales Manager has subsequently intimated that the Indian Oil Company have no objection to disforest the area of 0-20-0 in favour of Shri S.M.Nilekani as he has agreed to install their pump.

6. From the papers of enquiry it would appear that there is no objection to the disforestation of the site, which is fit for installation of a petrol pump. The Indian Oil Co., has also no objection to disforest the area in favour of Shri S.M.Nilekani who has entered into an agreement with the Indian Oil Company. It is therefore proposed that the area of 0-20-0 gunthas out of S.No. 111 of Manajawalli (i.e., 0-10-0 gunthas for which permission was granted to construct a house by the Assistant Commr. and also an additional area of 0-10-0) shown in the sketch may be disforested for being granted to Shri S.M.Nilekani for installation of a H.S.D.-cum-Petrol filling Station of the Indian Oil Company on the terms and conditions to be imposed by the Revenue Department. If approved, Government may kindly be moved to sanction disforestation of the area.

a.c. signed
by the Dy. Commr.

Yours faithfully,

J. N. Kanara
Deputy Commissioner, N.Kanara.

Submitted through the Divisional Commissioner, Belgaum.
